

The Winobranie Wine Festival 2022

Zielona Góra, 3rd – 11th September

In September, Zielona Góra traditionally celebrates its holiday. **Similarly to the previous years, the Winobranie Wine Festival 2022 begins with the symbolic handing the key to the city to Bacchus, the god of wine, by the mayor of Zielona Góra (Saturday, 3rd September at 8:30 p.m.).** At that moment, the city becomes a huge stage for celebration and good fun. During the festival, participants can closer get to know the wine traditions and the history of viticulture in Zielona Góra, as well as try local wines. Additionally, you can find many different attractions included in the programme, such as concerts, open-air games, sports events, wine-themed walking tours, the Winobranie Wine Festival fair with the winemakers' stands, the so-called Wine-buses, that enable you to explore local vineyards, et al. While taking an evening walk around the city centre, you may participate in various music events on the three Winobranie Wine Festival stages, on which Polish and foreign music stars perform. They are situated at three locations: on the car park near the philharmonic hall (main stage), on Theatre Square (Plac Teatralny) and in Winery Park near the Palm House. **The Winobranie Wine Festival officially ends with the colourful parade which takes place on Konstytucji 3 Maja avenue, on 10th September 2022 at noon.** Join us in the celebration of the Winobranie Wine Festival 2022!
